

**One Ellesmere Port Primary Care Network is recruiting within their One Wellbeing Service and we are looking for:**

- Dietician (1WTE)**
- Senior Health and Wellbeing Coach (1WTE)**
- Health and Wellbeing Coach (1WTE)**
- Health and Wellbeing Coach Fitness Instructor (1WTE)**

One Ellesmere Port Primary Care Network was formed by the 6 GP practices within Ellesmere Port, who are working together with the common goal of creating a better future for our patient population. Part of our response is to grow our multi-disciplinary team within the One Wellbeing Service for our patient population of over 71,000 patients. We have a unique opportunity in One Ellesmere Port to create something special and although our journey has only just begun, if you are passionate about making a difference for the residents of Ellesmere Port we want to hear from you!

**Dietician**

One Ellesmere Port Primary Care Network (PNC) is looking for an innovative, motivated Dietician to be a part of our new Health & Wellbeing team within our existing 'One Wellbeing' Service, which currently includes our Social Prescribing team. The post holder will be responsible for the clinical dietetic leadership and development across One Ellesmere Port. They will facilitate the implementation and evaluation of novel nutritional pathways for patients within the PCN. They will provide specialist nutritional assessment, advice and product prescribing / de-prescribing as part of a multi-disciplinary team service to patients, their families and carers across the health community, working with the wider One Wellbeing Multidisciplinary Team on personalised health plans. The post holder will support the learning and education of healthcare professionals in the PCN and practices working closely with the Care Home MDT and Community teams.

**Senior Health and Wellbeing Coach**

One Ellesmere Port Primary Care Network (PNC) is looking for an innovative, motivated Senior Health and Wellbeing Coach to be a part of our new Health & Wellbeing team within our existing 'One Wellbeing' Service. The role will oversee the management of a small team of Health and Wellbeing Coaches in addition to providing some Health and Wellbeing Coach delivery. The role will oversee the responsibility for the delivery of group and one on one sessions on healthy eating, physical activity and health and wellbeing to meet with personalised care plans; engaging with patients and using health coaching techniques to support them to take an active role in their health, whilst also providing advice and support for the PCN multi-disciplinary team. This is an exciting opportunity to help and make a real difference to people's lives.

**Health and Wellbeing Coach**

The role will include being responsible for delivering group and one on one sessions on healthy eating, physical activity and health and wellbeing to meet with personalised care

plans; engaging with patients to support them in taking an active role in their health; providing advice and support for both patients and colleagues. Key markers of success will be set evaluate the impact of the Health and Wellbeing Coaches. In addition, the post-holders will also support the multi-disciplinary team, in line with the strategic objectives of One Ellesmere Port. The role will be supported by the Senior Health and Wellbeing Coach and Operational Director of the PCN. This is an exciting opportunity to help and make a real difference to people's lives.

### **Health and Wellbeing Coach Fitness Instructor**

One Ellesmere Port Primary Care Network (PNC) is looking for an innovative, motivated Health and Wellbeing Coach Fitness Instructor to be a part of our new Health & Wellbeing team within our existing 'One Wellbeing' Service, which currently includes our Social Prescribing team. We're looking for a motivated individual with experience of health and wellbeing who can help One Ellesmere Port Primary Care Network to establish a service to help address our population health needs and meet the strategic aims and objectives of the senior management team. It will include the delivery of group and one-to-one sessions to support patients to take an active role in their physical and mental wellbeing. In addition to working with patients the post holder will also promote and meet the health and wellbeing of our teams across each individual practice to delivering a sustainable team across One Ellesmere Port. This is an exciting opportunity to help and make a real difference to people's lives.
